### How-to:

1. Using temporary (removable) adhesive, affix large 3½" x 4¾" Basic White panel to Grid Paper, aligning to grid lines. Adhere Double Plaid mask over panel using low-tack tape at corners. Apply Petal Pink ink over mask using Blending Brush. Remove mask and wipe clean with baby wipe or damp paper towel.
2. Using a straight edge (*I use a clear quilting ruler*), draw lines over plaid with Calypso Coral Stampin' Blends marker. Flat adhere plaid panel to Crumb Cake panel.
3. Use low-tack tape to secure ends of ribbon to Grid Paper; color ribbon with Calypso Coral ink using Blending Brush. Allow to thoroughly dry, then repeat on reverse side of ribbon. Allow to dry, then tie bow around matted plaid panel, noting eventual position of mushroom panel. Flat adhere matted plaid panel to card front.
4. Emboss 2⅛" x 2¾" Crumb Cake panel with Tree Rings folder.
5. On Basic White scrap, stamp Mushroom Caps in Calypso Coral ink. (*Note: use a foam mat under card stock for best image.*) On same panel, stamp Mushroom Stems in Crumb Cake ink. Punch out image with Postage Stamp punch. Adhere to embossed Crumb Cake panel with Stampin' Dimensionals, then to card front with Stampin' Dimensionals.
6. On Basic White scrap, stamp Sentiment in Calypso Coral ink. Cut out by hand, then adhere to card front with Stampin' Dimensionals.
