Holiday Stamp-a-Stack to Go

Well, this isn't the vision I had for the annual Jingle Jumps, but I'm excited to offer this variation on the JJ theme! Here's how this **Holiday Stamp-a-Stack to Go** works:

- * Projects will be completed at your house, not mine.
- * In your kit you'll receive almost everything you'll need to make 12 holiday cards (two each of six designs):
 - * Pre-cut stuff—card bases, die cuts, cardstock for stamping, and panels of Designer Series Paper.
 - * Some pre-embossed material.
 - * Envelopes.
 - * Embellishments.
 - * A printed brochure with assembly tips and color images of the completed cards.
 - * Stampin' Dimensionals.
- * What you'll need:
 - * Ink (Garden Green and Cherry Cobbler, or Memento Tuxedo Black).
 - * Adhesive — I recommend both a dry, tape-type and a wet, glue adhesive).
 - * Scissors.
 - * The Wrapped in Christmas stamp set (August-December 2020 Mini catalog page 11) or stamps in similar sizes; **you will not receive any stamped material in your kit.**

Ordering Incentive

The six card designs will use the new Wrapped in Christmas stamp set (#153481) shown on page 11 of the August-December 2020 Mini Catalog. **Again, these images will not be pre-printed for you.**

You may purchase the stamp set with this registration; it will be sent with your kit. Or, order it via my [online store here](#), using Host Code **JFNUANQ2**. Either way, when you purchase Wrapped in Christmas, I'll include with your kit two 6" x 6" pieces of each of the three colors in the Brushed Metallic Cardstock pack (page 45).

If you do not have the Wrapped in Christmas set, make sure you have holiday stamps approximately the same sizes.
