About the Stamp Set

The six card designs will use the new Happy Thoughts stamp set (#154507) shown on page 28 of the January-June 2021 Mini Catalog. **Again, these images will not be pre-printed for you.**

You may purchase the stamp set with this registration; it will be sent with your kit. Or, order it via my [online store here](#), using Host Code **2JGWGZN2**.

If you do not order the Happy Thoughts set, make sure you have sentiment stamps of approximately the same sizes.

Ordering Incentive

For every \$50 in product ordered online using my Host Code **2JGWGZN2**, select any product valued at \$10.00 or less for **FREE**. Just let me know what you choose, and I'll get it to you as soon as I can.

Don't forget that Sale-A-Bration begins January 5; your \$50 product order qualifies you for a free item from the SAB flyer!

This offer expires **Friday, January 22**.

All-Occasions Stamp-a-Stack to Go

I'm thrilled to offer you an all-occasions version of the "to go" stamp-a-stack kits I made available in October and November! Here's how the kit works:

- * Projects will be completed at your house, not mine.
- * In your kit you'll receive almost everything you'll need to make 12 cards for birthday, congratulations, sympathy/get well, and thank you (two each of six designs). Your kit will contain:
 - * Pre-cut stuff—card bases, die cuts, cardstock for stamping, and panels of Designer Series Paper (including Flower & Field DSP from the Sale-A-Bration brochure).
 - * Some pre-embossed material.
 - * Envelopes.
 - * Embellishments.
 - * A printed brochure with supply lists, measurements, assembly tips, and color images of the completed cards.
 - * Stampin' Dimensionals.

* What you'll supply:

- * Ink (Memento Tuxedo Black).
- * Adhesive—I recommend both a dry, tape-type and a wet, glue adhesive).
- * Scissors.
- * The Happy Thoughts stamp set (January-June 2021 Mini catalog page 28) or stamps in similar sizes; **you will not receive any stamped material in your kit.**
