Sweet Ice Cream to Go

Who loves ice cream? I do, and I especially love the Ice Cream Corner Suite in the January-June 2021 Mini Catalog. And so, with spring here at last, I'm offering you my latest "to go" kit! Here's how it works:

- * Projects will be completed at your house, not mine.
- * In your kit you'll receive almost everything you'll need to make 12 cards suitable for kids or adults (two each of six designs). Your kit will contain:
 - * Pre-cut stuff—card bases, die cuts, cardstock for stamping, and panels of Ice Cream Corner Designer Series Paper.
 - * Some pre-embossed material.
 - * Envelopes.
 - * Embellishments.
 - * A printed brochure with supply lists, measurements, assembly tips, and color images of the completed cards.
 - * Stampin' Dimensionals.
- * When it might be beneficial to see how a card is made (instead of just *reading* about it), I'll create a short instructional video.

* What you'll supply:

- * Ink—I recommend these colors that coordinate with the Designer Series Paper: Bermuda Bay, Blackberry Bliss, and Old Olive, along with Soft Suede.
- * Adhesive—I recommend both a dry, tape-type and a wet, glue adhesive.
- * Scissors.
- * The Sweet Ice Cream bundle (January-June 2021 Mini Catalog page 49). This stamp set and punch are needed to complete the cards; **you will not receive any stamped material in your kit.** You may order this bundle as part of the online ordering incentive, or talk to me if you want to add the bundle to your registration. *I'm afraid the punch will damage the kit contents, so I cannot mail bundles—for pickup only.*
