Marvelous Masks Class

So much for holiday vacation—it's back-to-school time with my latest class. In the past few months, I got to play with the **Butterflies & Flowers Layering Decorative Masks** (page 65 of the Jan-Jun 2022 Mini). And now it's your turn!

In this class, you'll use several different tools and techniques to create beautiful and fun effects for your paper crafting projects.

Modules include:

- Basic mask tips
- Applying color with Blending Brush, Sponge Dauber, and Stampin' Spritzer
- Ombre backgrounds
- Double masking
- 2-step Layering
- Embossing Paste and tinted Embossing Paste

The technique samples you create and the **Celebrating You** stamp set included with your registration will be used to finish eight cards with envelopes.

When

Choose one of three sessions:

- Friday, February 4, 1:30-4:30 p.m.
- Friday, February 4, 6:30-9:30 p.m.
- Saturday, February 5, 9:00-noon

- One (individual) **Blending Brush, Sponge Dauber, and Stampin' Spritzer**.
- A sample of **Matte Finish Embossing Paste** and spreading tool.

This event will be held "camp style," which means we'll start at the same time and you'll stay in the same place for the entire session.
