How-to:

1. Flat adhere striped Starry Sky panel to left edge of Starry Sky card front.
2. Create fern panel:
 - Open up embossing folder completely
 - Use brayer to ink up reverse side of folder front (*or, the back side of the front side*) with Starry Sky ink.
 - Carefully place white panel on inked surface; close folder.
 - Run through machine.
3. When embossed panel is dry, cut with third-largest Deckled Rectangle die. Flat adhere to card front.
4. On Starry Sky scrap, stamp Sentiment in VersaMark ink. Sprinkle with white powder and heat until melted.
5. Die cut sentiment with Stitched Rectangle (2⅞" x 7/8") die. Adhere to card front with Stampin' Dimensionals.
6. Stamp Fern in Starry Sky ink on card liner; flat adhere inside card.
