All That dies (AC 164) — scalloped circle

How-to:

Note: Because I was making several different cards, I began by cutting a 12" x 3½" piece of Perfectly Penciled DSP (the pattern with the dots on the reverse) and colored the whole thing with the markers noted above and applied Wink of Stella.

1. Flat adhere 4" x 5¼" Basic Black panel to card front.
2. Cut 4" from 12" x 3½" piece of hand-colored DSP. Trim 4" side to 3⅞", then cut 3½" side at 2", leaving 1½". Flat adhere 2" piece to bottom of black mat and 1½" piece to top of black mat.
3. Pressure emboss 3⅞" x 1½" Petal Pink with Timeworn Type 3D embossing folder; flat adhere to black mat between DSP.
4. On Basic White scrap, stamp Sentiment in VersaMark ink. Heat emboss with black powder. Die cut with All That Dies scalloped circle.
5. From Pizzazz scrap, die cut 2⅞" circle. Adhere behind sentiment circle. Affix to card front with Stampin' Dimensionals.
