## How-to:

1. Using temporary (removable) adhesive, affix 3<sup>1</sup>/<sub>4</sub>" x 4<sup>1</sup>/<sub>2</sub>" Basic White panel to Grid Paper, aligning to grid lines. Adhere Detailed Pattern mask over panel using low-tack tape at corners. Apply VersaMark ink over mask using Blending Brush. Heat emboss panel with gold powder.
2. Thoroughly clean mask to remove VersaMark ink.
3. Flat adhere gold embossed panel to Poppy Parade mat, then to card front.
4. On Basic White scrap, stamp Poinsettia in Sweet Sorbet, Poppy Parade, Merry Merlot ink, cleaning stamp between colors. (Note: use a foam mat under card stock for best image.) Die cut stamped scrap with Plain Top Tag.
5. On Basic White scrap, stamp Merry Christmas in Merry Merlot ink; cut out by hand and flat adhere to poinsettia tag. *If you wish, cut a 2<sup>3</sup>/<sub>4</sub>" x 1/2" strip first, then stamp it.*
6. Punch hole in top of tag; tie bow with Elegant Trim. Affix tag to card front with Stampin' Dimensionals.
7. Affix gold pearls to poinsettia centers on tag.
