What to bring with you

- Your own **adhesive** (both dry- and wet-types) and **paper snips** (mark your items so they are not misplaced).
- Your favorite **current Classic ink pad** so you can create your samples. The color you choose should be one that is a medium shade but that will get darker when reapplied.
 - **Too light:** Petal Pink, Lemon Lolly, Soft Sea Foam, Bubble Bath, etc.
 - **Too dark:** Cherry Cobbler, Cajun Craze, Mossy Meadow, Evening Evergreen, Night of Navy, Blackberry Bliss, etc.

Of course, I have lots of ink (and coordinating paper), so all will be well no matter your choice. You'll be using this color with the new Blending Brush you'll take home with you.

Ordering Incentive

Just from me, for every \$50 in product ordered **when you register**, select any product valued at \$10.00 or less for **FREE**. In addition, you will receive a Bonus Day coupon, redeemable in August (however, you must order when you register for this class).
